

Protect Our Parks

1,000 National Park Service and **3,400 Forest Service** employees were **Illegally Fired** by the Trump Administration and Elon Musk's DOGE Team. These include Rangers, Scientists, Wildland Firefighters, First Responders, Trail Crews, Maintenance Crews, and other **Mission Critical Staff**.

At the order of President Trump, Secretary of the Interior Doug Burgum and Energy Secretary Chris Wright are working to "Unleash American Energy" by **Revoking Restrictions and Reviewing Federal Lands for Resource Extraction**

President Trump directed federal agencies to examine ways to **bypass endangered species protections** and other environmental regulations to **ramp up timber production** across 280 million acres of national forests and other public lands.
